#Full Stack Senior Software Engineer

B.Sc. Hons. Computer Science (scheduled to complete 20??)

Hard-working, enthusiastic, self-made coding polyglot who has worked with various programming languages and leans towards low-level programming. Webapps, websites, APIs, Arduino projects and video games are just some of the projects he's worked on. Enjoys contemplating problems and the way things work, how to fix or improve upon them, then takes great pleasure in building a creative and robust solution. Loves to constantly learn and acquire any skill needed through dedication and self-application.
